SECTION 2. IC 6-3.5-1.1-8.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: **Sec. 8.5. The department shall record and track the amount of county adjusted gross income tax revenue that is received from county taxpayers (either through withholding or directly from a county taxpayer) of each county for a particular taxable year.**

SECTION 3. IC 6-3.5-1.1-9, AS AMENDED BY P.L.261-2013, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the budget agency determines has been:

(1) received from **county taxpayers of** that county **(either through withholding or directly from a county taxpayer)** for a taxable year ending before the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the budget agency shall provide to the county auditor of each adopting county an estimate of the amount determined under subsection (a) that will be distributed to the county, based on known tax rates. Not later than thirty (30) days after receiving the estimate of the certified distribution, the county auditor shall notify each taxing unit of the estimated amount of property tax replacement credits, certified shares, and other revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. Before October 1 of each calendar year, the budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), and (g). Not later than thirty (30) days after receiving the notice of the amount of the certified distribution, the county auditor shall notify each taxing unit of the amount of property

1 tax replacement credits, certified shares, and other revenue that will be
 2 distributed to the taxing unit under this chapter during the ensuing
 3 calendar year. The budget agency shall provide the county council with
 4 an informative summary of the calculations used to determine the
 5 certified distribution. The summary of calculations must include:

6 **(1) the amount of tax revenue received from county taxpayers**
 7 **of the county for the taxable year ending before the calendar**
 8 **year in which the determination is made;**

9 ~~(+)~~ **(2)** the amount reported on individual income tax returns
 10 processed by the department during the previous fiscal year;

11 ~~(2)~~ **(3)** adjustments for over distributions in prior years;

12 ~~(3)~~ **(4)** adjustments for clerical or mathematical errors in prior
 13 years;

14 ~~(4)~~ **(5)** adjustments for tax rate changes; and

15 ~~(5)~~ **(6)** the amount of excess account balances to be distributed
 16 under IC 6-3.5-1.1-21.1.

17 The budget agency shall also certify information concerning the part of
 18 the certified distribution that is attributable to a tax rate under section
 19 24, 25, or 26 of this chapter. This information must be certified to the
 20 county auditor, the department, and the department of local government
 21 finance before October 1 of each calendar year. The part of the certified
 22 distribution that is attributable to a tax rate under section 24, 25, or 26
 23 of this chapter may be used only as specified in those provisions.

24 (c) The budget agency shall certify an amount less than the amount
 25 determined under subsection (b) if the budget agency determines that
 26 the reduced distribution is necessary to offset overpayments made in a
 27 calendar year before the calendar year of the distribution. The budget
 28 agency may reduce the amount of the certified distribution over several
 29 calendar years so that any overpayments are offset over several years
 30 rather than in one (1) lump sum.

31 (d) The budget agency shall adjust the certified distribution of a
 32 county to correct for any clerical or mathematical errors made in any
 33 previous certification under this section. The budget agency may
 34 reduce the amount of the certified distribution over several calendar
 35 years so that any adjustment under this subsection is offset over several
 36 years rather than in one (1) lump sum.

37 (e) This subsection applies to a county that initially imposes,
 38 increases, decreases, or rescinds a tax or tax rate under this chapter
 39 before November 1 in the same calendar year in which the budget
 40 agency makes a certification under this section. The budget agency
 41 shall adjust the certified distribution of a county to provide for a
 42 distribution in the immediately following calendar year and in each

1 calendar year thereafter. The budget agency shall provide for a full
 2 transition to certification of distributions as provided in subsection
 3 (a)(1) through (a)(2) in the manner provided in subsection (c). If the
 4 county imposes, increases, decreases, or rescinds a tax or tax rate under
 5 this chapter after the date for which a certification under subsection (b)
 6 is based, the budget agency shall adjust the certified distribution of the
 7 county after September 30 of the calendar year. The adjustment shall
 8 reflect any other adjustment required under subsections (c), (d), (f), and
 9 (g). The adjusted certification shall be treated as the county's "certified
 10 distribution" for the immediately succeeding calendar year. The budget
 11 agency shall certify the adjusted certified distribution to the county
 12 auditor for the county and provide the county council with an
 13 informative summary of the calculations that revises the informative
 14 summary provided in subsection (b) and reflects the changes made in
 15 the adjustment.

16 (f) The budget agency shall adjust the certified distribution of a
 17 county to provide the county with the distribution required under
 18 section 3.3 of this chapter beginning not later than the tenth month after
 19 the month in which additional revenue from the tax authorized under
 20 section 3.3 of this chapter is initially collected.

21 (g) This subsection applies in the year in which a county initially
 22 imposes a tax rate under section 24 of this chapter. Notwithstanding
 23 any other provision, the budget agency shall adjust the part of the
 24 county's certified distribution that is attributable to the tax rate under
 25 section 24 of this chapter to provide for a distribution in the
 26 immediately following calendar year equal to the result of:

- 27 (1) the sum of the amounts determined under STEP ONE through
- 28 STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county
- 29 initially imposes a tax rate under section 24 of this chapter;
- 30 multiplied by
- 31 (2) two (2).

32 (h) The budget agency shall before May 1 of every odd-numbered
 33 year publish an estimate of the statewide total amount of certified
 34 distributions to be made under this chapter during the following two (2)
 35 calendar years.

36 (i) The budget agency shall before May 1 of every even-numbered
 37 year publish an estimate of the statewide total amount of certified
 38 distributions to be made under this chapter during the following
 39 calendar year.

40 (j) The estimates under subsections (h) and (i) must specify the
 41 amount of the estimated certified distributions that are attributable to
 42 the additional rate authorized under section 24 of this chapter, the

1 additional rate authorized under section 25 of this chapter, the
 2 additional rate authorized under section 26 of this chapter, and any
 3 other additional rates authorized under this chapter.

 10 **distribution to the a county. from the county's adjusted gross income**

 12 **to the amount of county adjusted gross income tax revenue that is**
 13 **received from county taxpayers (either through withholding or**
 14 **directly from a county taxpayer) of the county for a taxable year**
 15 **but that was not included in a certified distribution previously**
 16 **made to the county for that taxable year.**

17 (b) A supplemental distribution described in subsection (a) must be
 18 ~~(1) made in January of the ensuing calendar year; and~~

19 ~~(2) allocated and subject to subsection (d); used in the same~~
 20 ~~manner as certified distributions. However, the part of a~~
 21 ~~supplemental distribution that is attributable to an additional rate~~
 22 ~~authorized under this chapter~~

23 ~~(A) shall be used for the purpose specified in the statute~~
 24 ~~authorizing the additional rate. and~~

25 ~~(B) is not required to be deposited in the unit's rainy day fund.~~

26 The amount of the supplemental distribution is equal to the amount by
 27 which the balance in the county trust account exceeds fifty percent
 28 (50%) of the certified distributions to be made to the county in the
 29 ensuing year.

30 ~~(c) A determination under this section must be made before~~
 31 ~~November 2.~~

 10 general fund.

11 **(d) The money in the special account shall be held by the state**
 12 **in trust for the county.**

13 SECTION 6. IC 6-3.5-6-16.5 IS ADDED TO THE INDIANA
 14 CODE AS A NEW SECTION TO READ AS FOLLOWS
 15 [EFFECTIVE JULY 1, 2014]: **Sec. 16.5. The department shall record**

 19 **taxable year.**

20 SECTION 7. IC 6-3.5-6-17, AS AMENDED BY P.L.261-2013,
 21 SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 22 JULY 1, 2014]: Sec. 17. (a) Revenue derived from the imposition of
 23 the county option income tax shall, in the manner prescribed by this
 24 section, be distributed to the county that imposed it. The amount that
 25 is to be distributed to a county during an ensuing calendar year equals
 26 the amount of county option income tax revenue that the budget agency
 27 determines has been:

28 (1) received from **county taxpayers of that county (either**
 29 **through withholding or directly from a county taxpayer)** for
 30 a taxable year ending in a calendar year preceding the calendar
 31 year in which the determination is made; and

32 (2) reported on an annual return or amended return processed by
 33 the department in the state fiscal year ending before July 1 of the
 34 calendar year in which the determination is made;

 36 budget agency) for refunds of county option income tax made in the
 37 state fiscal year.

38 (b) Before August 2 of each calendar year, the budget agency shall
 39 provide to the county auditor of each adopting county an estimate of
 40 the amount determined under subsection (a) that will be distributed to
 41 the county, based on known tax rates. Not later than thirty (30) days
 42 after receiving the estimate of the certified distribution, the county

auditor shall notify each taxing unit of the estimated amount of distributive shares and other revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. Before October 1 of each calendar year, the budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f). Not later than thirty (30) days after receiving the notice of the amount of the certified distribution, the county auditor shall notify each taxing unit of the amount of distributive shares and other revenue that will be distributed to the taxing unit under this chapter during the ensuing calendar year. The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

- (1) the amount of tax revenue received from county taxpayers of the county for the taxable year ending before the calendar year in which the determination is made;**
- ~~(1)~~ **(2)** the amount reported on individual income tax returns processed by the department during the previous fiscal year;
- ~~(2)~~ **(3)** adjustments for over distributions in prior years;
- ~~(3)~~ **(4)** adjustments for clerical or mathematical errors in prior years;
- ~~(4)~~ **(5)** adjustments for tax rate changes; and
- ~~(5)~~ **(6)** the amount of excess account balances to be distributed under IC 6-3.5-6-17.3.

The budget agency shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter. This information must be certified to the county auditor and to the department of local government finance before October 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter may be used only as specified in those provisions.

(c) The budget agency shall certify an amount less than the amount determined under subsection (b) if the budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years

1 rather than in one (1) lump sum.

2 (d) The budget agency shall adjust the certified distribution of a
3 county to correct for any clerical or mathematical errors made in any
4 previous certification under this section. The budget agency may
5 reduce the amount of the certified distribution over several calendar
6 years so that any adjustment under this subsection is offset over several
7 years rather than in one (1) lump sum.

9 decreases, or rescinds a tax or tax rate under this chapter before
10 November 1 in the same calendar year in which the budget agency
11 makes a certification under this section. The budget agency shall adjust
12 the certified distribution of a county to provide for a distribution in the
13 immediately following calendar year and in each calendar year
14 thereafter. The budget agency shall provide for a full transition to
15 certification of distributions as provided in subsection (a)(1) through
16 (a)(2) in the manner provided in subsection (c). If the county imposes,

18 after the date for which a certification under subsection (b) is based, the
19 budget agency shall adjust the certified distribution of the county after
20 September 30 of the calendar year. The adjustment shall reflect any
21 other adjustment required under subsections (c), (d), and (f). The
22 adjusted certification shall be treated as the county's "certified
23 distribution" for the immediately succeeding calendar year. The budget
24 agency shall certify the adjusted certified distribution to the county
25 auditor for the county and provide the county council with an
26 informative summary of the calculations that revises the informative
27 summary provided in subsection (b) and reflects the changes made in
28 the adjustment.

29 (f) This subsection applies in the year a county initially imposes a
30 tax rate under section 30 of this chapter. Notwithstanding any other
31 provision, the budget agency shall adjust the part of the county's
32 certified distribution that is attributable to the tax rate under section 30

9 civil taxing units of the county as provided in sections 18 and 19 of this
10 chapter.

11 (i) All distributions from an account established under section 16 of
12 this chapter shall be made by warrants issued by the auditor of state to
13 the treasurer of state ordering the appropriate payments.
